RESORTS

Like a jewel in paradise, Breezes is the first and only Super-Inclusive resort in The Bahamas. This beautiful retreat, with 400 rooms and suites, is situated on a quiet stretch of beach in Nassau; the powder-white sands of world-famous Cable Beach. And though we're only fifteen minutes from the airport, you will feel as if you have entered a whole new world. Here, beside the crystal clear waters, you can enjoy the full gamut of Breezes activities: tennis, water-skiing, kayaking, Jacuzzis, rock-climbing, cycling, volleyball – even a “circus” where you can learn to swing on a flying trapeze. Now, make your way to the international buffet, snack at the Beach Grill, or dine in style at the Italian restaurant. Later, join the fun at the Hurricane's disco, the Piano Bar, or in the Karaoke Room and get ready to enjoy the floorshow. Still not tired? Well, why not take part of Breezes great island entertainment, offered every night of the week. Join the toga party or watch a colorful native show. If this is still not enough, we can arrange for you to visit other local nightspots and shows as well.
