GRAND LIDO NEGRIL

Grand Lido Negril, flagship of the SuperClubs fleet of Super-Inclusive resorts, commands an impressive stretch of Negril's breathtaking miles of silver sand on Jamaica's Southwest shore. Here, all desires are answered. The unbelievable beach invites lovers of water sports to windsurf, SCUBA dive, sail a sunfish, all a prelude to the ultimate dream-come-true. Earlier in the day, there are a myriad of new discoveries: the state-of-the-art fitness center, a spirit-and-body soothing spa and the centuries old cotton tree in the gardens.

Grand Lido Negril Resort & Spa consists of 210 junior suites and full suites all featuring spectacular beachfront, ocean and garden views. Every suite is equipped with the following: Air-conditioning, Satellite TV, Direct dial telephone, CD player, Coffee maker, Hair dryer, Safe deposit box, 24 hour room service, Complimentary laundry & dry cleaning service, and Iron & ironing board. All suites have Mini-Bars in all rooms stocked with Water, Soda and Beer.

BREEZES RUNAWAY BAY

With a perfect off-ramp for people on the fast track and tucked away on the finest expanse of beach on Jamaica's famed North Coast, Breezes Runaway Bay Resort remains one of the world's truly great escapes. With 264 rooms set on more than twenty-two lush oceanfront acres, Breezes Runaway Bay Resort feels worlds away from reality. In addition, with our attached 18-hole PGA golf course this retreat has all the amenities of resorts three or four times its size, but without the hassle of being far from the beach or the restaurants. It is all designed for you to get the most out of your vacation! We also offer you a large variety of land and water sports for you to enjoy, and yes, we have instructors to teach you everything! Breezes Runaway Bay has the best SCUBA and golf in Jamaica.

HEDONISM 11

Situated on the tip of legendary Negril Beach, life at Hedonism II centers around two private stretches of beach: One nude. One not. Both fantastic. It's a big part of what makes the spirit of Hedonism II so enjoyable. Because from the moment Hedonism II's gates opened twenty-five years ago, it's been the most widely recognized, and notorious, resort in the world. Words really can't quite describe the thrill of actually being here. It's the ultimate guilty pleasure, only without the guilt. A real life Garden of Eden. You can be as free as you want to be, depending on your mood. For a quiet, private moment, slip off to a shaded hammock with a good book. Or shed your inhibitions, and join in the party on the nude beach. That wonderful, non-judgmental attitude is just one reason why you're likely to see the same smiling faces, year after year..
