

Mexico & Cuba

10th - 25th September

Wednesday, 10th September

We depart at 1330hrs for Frankfurt with Lufthansa. An overnight is required.

Thursday, 11th September – Saturday, 13th September: MEXICO CITY

Lufthansa's flight to Mexico City is scheduled to depart at 1420hrs. Upon arrival we will be transferred to our hotel – Galeria Plaza Hotel.

We have 2 full days to explore what Mexico City can offer. Its attractions feature culture, history and amusement for children. From the historic hotels of the Alameda, a lively hub since Aztec times, to the Zona Rosa, a vibrant, stylish neighbourhood, Mexico City offers endless options for all tastes and budgets. Optional city and Basilica tour available.

Saturday 13th September – Tuesday 16th September: HAVANA

After breakfast we will be transferred to the airport for our flight to Havana (Cuba). Our flight will take approximately 2 hours 45 mins. Our stay includes 3 nights accommodation at the Inglaterra Hotel, including buffet breakfast and return transfers. Arguably Latin America's best-preserved colonial city, Havana is one of the oldest, grandest and safest cities in the Americas, and packs a cultural punch well beyond its size and certainly beyond its economic status. Centuries of Spanish and African interaction have made it a hotbed of culture and the vibrancy of Cuban music and dance alone make it worth the trip. Add in palm trees and a tropical climate and you have a potent cocktail. Ice-cream coloured colonial buildings, cool squares and the waves lapping against the crumbling sea wall make it visually bewitching, while charismatic habaneros take care of the rest. Optional city tour and Tropicana show available.

Tuesday 16th September – Tuesday 23rd September: CANCUN

After breakfast we will be transferred to the airport for our flight to Cancun (Mexico). Our flight will take approximately one hour. Transfer and check in at the Gran Caribe Hotel in Cancun's hotel zone.

Warm white sand beaches, crystal indigo seas, romantic Caribbean nights, world-class hotels, restaurants and nightlife; does all of this sound too good to be true? This is Cancun! World-renowned fishing, diving and snorkelling, archaeological sites dating back thousands of years, a balmy tropical climate and water sports galore...this is Cancun! A very complete resort where you could keep busy 24 hours a day just participating in the many activities and tours available, and yet Cancun remains a tranquil retreat where you can relax to your hearts content along the peaceful shore of the Caribbean ...this is the real purpose of Cancun! Various optional excursions available.
